

Christmas Diamonds is a charming holiday romance by Devon Vaughn Archer, the best-selling author of the classic holiday love story Christmas Heat. Ever since she was a little girl, Paula Devine has dreamed of a romantic Christmas Day proposal like the one her grandmother received back in the day. Instead, her list of disappointing exes gets longer each year. But just as shes ready to give up, Paula begins remodeling the home of an irresistibly sexy client - a man who inspires the kind of sinful thoughts that could land her on Santas naughty list permanently. If theres one thing rarer than a flawless diamond, its true love fused with passion. Jeweler Chase McCord had it once, and wondered if that shimmering heat was gone forever. But the beautiful woman whos renovating his home is also overhauling Chases outlook, tempting him to submit to her honeyed seduction - even if it means losing his heart all over again. Can Paula and Chase turn sparks into flames and diamonds into triumph during the most wonderful time of the year? Fans of sentimental and spirited romantic fiction are sure to enjoy this touching holiday tale.
