

Writing a resume that gets you noticed and gets you an interview is your key to getting your perfect job. Without a resume that perfectly describes both you and your desired company's job opening, there is little hope of ever being considered in today's job market. Applicant Tracking Systems have eliminated many Recruiter tasks. Why is this important? Unless your resume matches the needed job skills of a job opening almost perfectly, you have little hope of a real person seeing your resume. In order to pass through Applicant Tracking Systems, you must prepare a resume that is a near-perfect match to the job opening. You'll quickly learn how to do this, while using wording, formats and techniques to make your resume stand out easily to real humans. Developing a resume for every job for which you would like to be considered is a daunting task. But, with *How to Write a Perfect Resume That Gets You Noticed* and an Interviews process and shortcuts, you will learn how to create templates that are fill in the blank easy. Why waste your time sending resumes by the dozens and hoping that the resume will get noticed. Why not create just a few resumes that get results? Customized resumes get you the attention you deserve and gets you invited to interview. What more could you ask? *How to Write a Perfect Resume That Gets You Noticed* and An interview is the second of a series of Job Search Secrets.
