

Are you a person who stammers who is fearful of giving presentations? Do you dread or avoid giving presentations, because you are afraid you will stammer and you will be humiliated? If so, then Presentation Confidence: Stand Up and Be Heard is the eBook (4901 words) for you. In it you will learn the following: * The default ways of thinking that you have when it comes to giving presentations, which can cause you problems. * The power of imagination to help you think differently about giving presentations, for the better. * A powerful and practical technique you can start to use today to overcome negative thinking about stammering when you are giving presentations, and approach presentations with a confident and self-assured attitude.
