

Route 66 is a fixture of American culture. For the truckers, salesmen and vacationers who have traveled it and for the people who live along it, the road is a reminder of the bygone days of American motoring. Despite time, neglect and progress, Route 66 endures. Almost all of its 2,448 miles are still intact and drivable. Travel from Chicago to Los Angeles and experience Route 66 through this richly illustrated book, with pictures of many of the historic landmarks and longtime businesses that have become roadside institutions to several generations of Route 66 travelers, plus some that are relatively unknown. Nearly all of the places shown can be visited today. The book is also a salute to those who supported the highway over the years, including Cyrus Avery, Jack Cuthbert (Mr. 66), Lucille Hamon and Campbells 66 Express.

Electronic Fetal Monitoring Concepts and Applications, Charlestown: The history of a Cornish Seaport, The Ultimate Deception, Oyster: A World History, Three Shadows, Island Daze, Aboriginal Australia: A Travellers Guide by Burnum Burnum (1988-11-10),
